**J. Edward Lousley (1907-1976)**

Posted on [September 19, 2011](#) by [Chris](#)

There is an excellent and detailed biography of Lousley that was written for Watsonia in 1977 (by J G Dony).

Watsonia is available electronically / digital form from the BSBI : <http://www.watsonia.org.uk/Wats11p282.pdf>

Details of his herbarium may be downloaded here :

<http://www.watsonia.org.uk/Wats11p312.pdf> .
