**Philip, Dr. Judith (1911-1985)**

Posted on [January 10, 2011](#) by [David Price](#)

Judith Margaretta Philip was born June 29th, 1911 in Barrow in Furness. She was the daughter of T J Ferguson, the President of the [Barrow Naturalists' Field Club](#). She was the sister of *Rowena Mabel Audus* \*. Judith was a demonstrator and assistant lecturer in Botany, [University of Hull](#), 1932-33.

Judith married William George Philip c. 1932; she died in 1985 in Sheffield.

Some of her field specimens and herbarium sheets can be found here : <http://herbariaunited.org/specimenssearch>  
. The sheets are typically labeled as below:

\* RMF = [Rowena Mabel Ferguson](#) / *Audus* (wife of Professor Audus)
